Dear Ms Jie Li

I am writing to confirm that your centre is a duly approved centre of the London Examinations Board (LEB)

"Students that undertake the LEB Postgraduate Diploma in Business Administration will be eligible to apply for advanced entry onto the Top Up MBA awarded by the University of the West of Scotland (UWS) and undertake the Strategic Business Project module at the Knowledge Universe Approved Learning Centre in Macau.

UWS has mapped the LEB Postgraduate Diploma in Business Administration and has confirmed students who successfully complete the LEB award are able to apply advanced entry onto the UWS MBA.

Registered students at Knowledge Universe Approved Learning centres will duly become official students of UWS enrolled for the Top Up MBA and will have access to various online systems to support their programme of study. Students will have an opportunity to graduate at one of the UWS ceremonies held in Scotland each year.

Students who wishes to verify that indeed this is the approved arrangement endorsed by UWS can log in the following link:

UWS Website Confirming UWS-KU Partnership:

Alternatively, students can write to Dr Tom Keegan who is the UWS MBA Programme Leader to confirm that Knowledge Universe is an approved collaborative partner of the University authorised to offer the UWS Top Up MBA ."

Yours sincerely,

Associate Professor Dr C S Chan

Academic Director
